About Sunbird Lodge Sunbird Lodge, an eco-friendly luxury lodge is located in the Great Rift Valley, one of the natural wonders of the world. We are less than 127 km (1 ½ hours) from Nairobi and a few minutes off the new and superb Nairobi – Nakuru highway on a very good, private access road at the shore of Lake Elementaita, bordering and overlooking Soysambu Conservancy.

Located on private land there are no park or conservation fees in addition to our very competitive rates. On excellent roads it is only 20 minutes to the famous Nakuru National Park and only a few minutes to Soysambu Conservancy where you can experience a balloon safari every morning.
